Mayor To Veto

(Continued from Page 1)

council voted for it 8-to-6. Favoring second reading were Nomm, Rufus LeMaster, Donald Partney, Paul Rutledge, Frank Nemeth, Steve Baarich, Emerald Dawes and Samuel Shackelford. Opposing it were Charles Meyer, Samuel Whitner, Mrs. Gabrielle Betine, Arthur Wier and Frank Vesce, and the mayor. Absent were Aldermen Esfill Von Schmitt, Casner Skubish and Robert Gaughan.

Nomm said that if the resolution is approved by the state and then vetoed by the mayor, the aldermen can decide whether or not to override the veto. "I'm willing to let the case rest," Alderman Rutledge said he had heard prior to the meeting that the mayor was planning to veto the project. "I've been voting for it," Rutledge said, adding that he had considered voting against second reading, but then reconsidered and came to the conclusion the improvement would be for the best interest of the people in the area.

Suggests Nomm Move. "This has been blown up clear out of proportion. Motor fuel tax funds aren't just for dirt streets . . . if Nomm hadn't lived on Cayuga street, I don't think we would have heard all this. "Why don't you move?" he asked Nomm.

Rutledge stated further it would be years, and there could be a complete turnover in the council, before street improvements could be carried out in all eight wards of the city.

Nomm predicted it would take 35 years to get the street work done that was proposed in the defeated \$3,200,000 motor fuel tax bond issue.

Hearing the comments, Mayor Davis said it would be the council's decision to override his veto. "That's your privilege, but I have submitted my recommendations. It's the only way I have to show the way I feel."

Defending the Cayuga street project, Nomm stressed that motor fuel tax funds "are everybody's money" and that the people in West Granite are entitled to improvements. He blamed the turmoil on the fact that he had built a new home on Cayuga street. "If I sold it tomorrow, I'd lose \$700. People should help us. It's easy to criticize."

Mrs. Betine answered Nomm by saying he had "gone off the deep end on Cayuga street. A priority basis is needed," she said. "If the street really merited attention, there would be no question."

Joining the discussion, Alderman Donald Partney said the new riverfront highway across Cayuga street and that it could provide another access roadway to the canal harbor area.

Steve Baarich, directing his remarks to Mrs. Betine, said it was she and the "10 or 12" members of the Civic League who were concentrating on Cayuga street, in an effort "to get to Nomm."

An air filter was stolen off the 1958 auto of Ellis Mathews, 2427 Illinois avenue, while the car was parked at 18th street and Edison avenue, it was reported to Granite City police Monday evening.

Marie Cox, 2035 State street, reported to Granite City police on Monday that two spinner type hubcaps were stolen off her 1958 car while it was parked in the garage at her home.

Bowling Ball, Shoes Found A bowling ball bag and shoes were stolen from the auto of George Diller, 21, of 1710 Fourth street, Madison, on Monday, but all were recovered the next day. Madison police found the bowling ball in a parking lot in the 200 block of Madison avenue at 9:30 p.m. Monday. After Diller reported the theft at 9 a.m. Tuesday and learned that the ball had been located, he searched in the same lot and found the shoes and the bowling bag near an alley trash can.

area which is flooded. The case is now pending.

The board also heard a report that the Mental Health Clinic needs \$4000 for further expenses in getting the local center started. The two-clinic operation in Madison county needs \$18,000 but other communities in the area will pay for the remaining share, according to Henry Karandjoff, who read the request.

The board referred the request to the cause money committee for its approval.

The departure of Secretary Schoenlock, on March 31, was discussed. A draft of Schoenlock was suggested, but Sullivan pointed out Schoenlock might have other job possibilities.

The board voted to place an advertisement in the local newspaper for the position with a stipulation that local applicants receive preference.

The financial report showed \$147,880 received on pledges with \$144,119 still to be received. The total pledges amounted to \$291,999, or \$144,880 over the announced budget.

road, suffered abrasions to the top of the head when he struck the windshield of an auto last night as it hit a post on the levee road extension of Rock road, near Granite City. He was released from St. Elizabeth Hospital after receiving emergency treatment at 8:30 p.m. Wednesday.

The injured man was riding in a car driven by Edgar Pratt, Granite City. The vehicle was forced off the roadway by another car that continued on its way.

Several teeth of Melvin Anderson, 50, of 1119 Calhoun street, Venice, were jarred loose in a collision of northbound autos on fourth street, between 3:40 and 3:50 p.m. Monday. The radiator and grille of Anderson's car were damaged along with rear bumper and rear fender of the auto of James Reagle, 23, Belleville.

City Court Jury Completes 2-Week Setting Today

The city court jury ended its two-week setting here today when the final case scheduled to be heard was stricken from the docket and settled out of court. The jury has been dismissed by City Judge Fred P. Schuman.

Two cases were heard during the final week the jury was in session. The jury found in favor of Lester Wolfe, defendant in a lawsuit arising over an automobile accident on July 2, 1958, at the intersection of 15th and Benton streets.

The plaintiff, Sam Oliver, had asked for damages totaling \$10,000 for alleged personal injuries suffered when his truck and an auto driven by Wolfe collided at the intersection. Both are Granite Cityans.

The city court jury found both plaintiff and defendant guilty of negligence after testimony in another auto accident lawsuit was heard this week. The accident occurred Sept. 29, 1955, at the intersection of August street and Lincoln avenue.

Involved were autos driven by the plaintiff, Mrs. Mary Sweeney, and the defendant, George Grove. Mrs. Sweeney had asked \$10,000 damages against Grove and \$10,000 against his father, James Grove, owner of the auto.

The defendant in turn had asked for \$1000 and costs of the lawsuit against Mrs. Sweeney and an additional \$1000 and costs against Patrick Sweeney, owner of the auto operated by Mrs. Sweeney. No damages were awarded by the jury to any of the parties involved.

The office of the clerk of the city court was notified this morning that a lawsuit brought by Louis G. Sells against the American Zinc Co. of Illinois had been settled out of court. The case was the final one listed on the docket.

16 Candidates For 10 Levee Nominations
(Special from Springfield)
Sixteen candidates for 10 East Side Levee and Sanitary district nominations remain on the April 12 primary ballot after the end of the withdrawal period and elimination of three candidates found to reside in the Prairie Du Pont levee district, a tabulation of petitions showed this week.
Eleven are seeking the five Democratic nominations, and five are unopposed for the Republican nominations. Those unopposed are Robert D. Baldrige, Lindell Phelps, William S. Nichols and Elmo Bush, all of East St. Louis, and Walter J. Ende of Granite City.
Democratic levee candidates in their ballot order are Thomas F. Hennessey and Michael Szwedzky of Chicago, John Thomas McGee of Venice, John Kerins, Monroe L. Flinn, Dan E. Costello, Lawrence T. Talar, George Duff and John E. Molla, all of East St. Louis, Ernest Ell of Granite City and James Sweeney of East St. Louis.
Cong. Melvin Price (D) is unopposed in the primary, and there will be no Republican candidate unless the Madison and St. Clair county committees choose one.
State Rep. Lloyd C. Harris of Granite City, Rep. Paul Simon of Troy and James E. Walker of Granite City are seeking two Democratic nominations for the general assembly. Rep. Ralph T. Smith of Alton and Robert E. Wharton of Wood River are unopposed for two Republican nominations.

Traffic Death Rate Down So Far This Year

The Quad-City traffic death toll is off to a slower start this year than last year, a January traffic report showed today.

With one fatality recorded in the past month, the total is less than the three fatalities tabulated at a similar time a year ago. In 1950, traffic deaths occurred on Jan. 24, 25 and 27.

The only fatality in January 1950 was Michael E. Brown, Alton youth, who died Jan. 20 of burns suffered three days earlier when his car caught fire after a collision on Bypass 86 six-tenths of a mile east of Route 67a.

135 Accidents During Month
In addition to the death, the January survey shows 135 accidents and 70 persons injured.

The 135 figure is the fourth highest for a January in history (181 in January 1957, 173 in

SICL, Similar Group In Alton May Merge

Officers of the Southern Illinois Citizens League and a similar organization in Alton will meet Sunday in Alton to consider a proposal for consolidation. Both groups were organized last year to oppose by legal means the earnings tax and income tax being assessed non-residents by St. Louis and the state of Missouri.

David Gantt of Granite City, vice-president of the SICL, said the final proposal for merger of the organizations was drawn up last week, and that two representatives of the Alton group attended the league's regular business meeting held Tuesday night at the Labor Temple here.

The SICL now has 1222 paid up members, the Alton group about 450. Over 200 persons, about 100 of them non-members, attended Tuesday's meeting, and 30 new members were accepted. The league's legal advisor, Atty. Stanford Meyer of Belleville, answered questions posed by members of the audience.

Gantt told the gathering that public apathy and indifference had brought about the earnings and income tax. "The tenacity of this vicious type of taxation are even spreading into our larger cities now, some of which are assessing an earnings tax against their own resi-

Dairymen who don't have enough hay this winter can stretch their supply by feeding more silage, buying extra hay or feeding more grain.

But whatever method you use, don't change your feeding program abruptly. It's better to make a slight feeding adjustment now than to change suddenly just before pastures are ready to graze.

Feeding more silage is usually the best way to boost a short hay supply. Three pounds of silage will replace one pound of hay.

Increase the grain mixture to at least 15 to 16 percent of total protein substituting corn silage for a high proportion of hay. You won't need to change the grain ration when feeding legume and grass silage of the same quality as the hay.

If you don't have silage, you should probably buy additional hay if it is available at a reasonable price. Look for leafy, early cut hay—it may have twice the feeding value of poor quality hay.

In replacing hay with grain, remember that two pounds of grain should equal one pound of hay. If you have three pounds of average alfalfa hay.

Also remember that there is an upper limit to the amount of hay that grain can replace. Make sure your cows get at least three-fourths to one pound of hay or hay equivalent per day for every 100 pounds of body weight.

Copies of the "1960 Beef Cattle Feeding Suggestions," one of the handiest pamphlets a cattleman can have, are now in the farm adviser's office.

This 25 page pamphlet is chock full of information, any cattle

producer will need during 1960. It lists wintering rations, pasture, rations and dry lot fattening rations for different age groups of cattle. Even "emergency" rations are suggested.

Space and equipment needs and amounts of feed required for feeding programs are outlined.

In addition, the pamphlet gives answers to often-asked questions concerning hormones, pelleting, all-in-one silage and protein and liquid supplements.

The pamphlet was prepared by the University of Illinois livestock extension specialists H. G. Russell, C. E. Caelisse, D. E. Walker and T. R. Greathouse. Notify the office if you want a copy.

Baird advised the farmers to tread lightly in seedbed preparation. Excess implement traffic is a main cause of compaction, especially where it's wet. Fields should be as dry as possible before they are worked. Fall plowing has an advantage in this sense because it allows later and probably drier entry in the spring.

Heavy trucks spreading fertilizer often track in a severe compaction problem. Frozen soil better supports these trucks, allowing them to spread without soil damage.

Minimizing tillage and wisely conserving crop residues help on the practices that tend to lessen soil compaction and the related problem of surface crusting. Surface crusting holds up water and air absorption and contribute mightily to losses of soil and water from erosion.

In a small way at least, minimum tillage seems to be catching on in Illinois, said Baird. Reports received to date from 64 counties in a state-wide survey indicate that in some counties up to 25 percent of the furrows reduced field operations by us-

ing some type of minimum tillage. The most popular method of minimum tillage, according to the survey, was plowing and then going over the land with light tillage tool, such as a chisel plow, rotary hoe or spike-tooth harrow before planting.

Another way that holds considerable promise is plowing and then planting, making only two trips across the field. Some farmers work four-row equipment into the minimum-tillage picture by going into a fall or spring-plowed field with a four-row cultivator mounted on a tractor that pulls a four-row planter.

Farmers interested in the latest developments in the chemical control of weeds and insects are invited to attend a meeting at the Farm Bureau building at Edwardsville the evening of Feb. 10, starting at 7:30 p.m. John H. Bishop of the Illinois State Natural History Service, with special attention to the use of soil insecticides with corn and soybeans. Reports of last week's spray operators' meeting at Urbana will be given. Information presented will be of assistance to farmers having weed and insect problems.

The quarterly meeting of the Lower Kaskaskia Land Use Council will be held at the Farm Bureau building at Edwardsville on Feb. 11. The Council is composed of directors of the soil conservation districts of Madison, St. Clair, Monroe and Randolph counties. Ralph Houle, chairman of Heartland, U. S. A., sponsored by the Mississippi Valley Association, will speak. He will discuss the soil and water resources of the St. Louis area. All interested persons are invited.

The 1959 red clover crop is estimated at 80 million pounds, 12 percent less than last year but 10 percent less than average. A new insecticide called Sevin looks promising for controlling weevils in sweet corn. Grass and darts of Sevin were as good as or superior to DDT or DDT and oil sprays in tests. Illinois is a leading poultry state. In 1958 it ranked fifth

pected to continue to grow rapidly. However, the commissioners expressed an opinion that any such development should be undertaken by the airlines, the same as a railroad or trucking firm builds its own stations and freight handling facilities.

During the question and answer period, Rant said the port district has many other projects planned to develop the area from Jerseyville to Belleville. He added that the commissioners were not at liberty to discuss the nature of the activities.

When Samuel Meyer asked if it would not be logical for the Illinois State Port Authority Development Agency to build a second major airport on this side of the river, Rant replied that 65 to 70 percent of the benefits would go to St. Louis and that the second airport would receive only over-

flow traffic from St. Louis Lambert Airport, which is expected to reach its capacity in about three years. He said that from the study, it was his opinion there would be a considerable time lapse before any airline would transfer its operations to a second airport.

Port District Port Out

The port board chairman said the commissioners had even considered the possibility of an international airport in the area, but that the Federal Aviation Agency had ruled it out, because of the time lapse before any airline would transfer its operations to a second airport.

Discussions centered on the availability of sites. The logical conclusion was for an airport development in Illinois, provided the land was not grabbed for housing or industrial projects. It was agreed that most of the sites probably be gone in the next five years.

Austin Lewis, member of the port board, said the district has two methods of financing available—revenue bonds, which he doubted would sell, and general obligation bonds for which a tax would be necessary with the property owners required to pay the entire amount.

The text of the statement presented by Chairman Rant follows:

Text of Statement

"The Tri-City Regional Port District was established by the 43rd session of the Illinois State Legislature with the powers to establish and operate a complete river port and all of the terminal facilities and a complete airport and all of its required supporting facilities such as terminals, repair facilities or freight handling facilities.

This legislation established the Port District as a municipal corporation of the state of Illinois with all of the powers of a city or "body politic" of the state with power to issue revenue bonds, general obligation bonds (subject to voter approval), ordinance power and such necessary authority to expand the Port District boundaries as is needed. Annexation of additional area must be with the approval of the registered

observing the 50th ANNIVERSARY of the Boy Scouts of America, three local youths appeared Monday evening at the Granite City council session, to lead the pledge of allegiance and recite the Scout Oath. They were Boy Scout Tom Miskof of St. Joseph's Troop 7; Explorer Charles Orr of Nemooki PTA Add 46 and Cub Scout Jon Teague of the First Presbyterian Church Park 8. Orr also outlined scout activities for this year's anniversary celebration.

voters in the area under consideration.

When the Port District commenced functioning on Oct. 1, 1939, active studies were commenced relative to the feasibility of construction of an airport to serve this area. The primary questions that had to be explored, in addition to sites, were those of size, type and financing required of any airport to justify its construction since all possible types of air facilities, major, executive or private field, have all had their need sufficiently justified by previous studies conducted by competent survey firms as well as the recommendations of the National Airport Programs 1959. All surveys adequately justify the need for (a) a second major airport (b) an executive type airport and (c) a private field or combination of the three types.

"Desirable Sites"

"There are very desirable sites in the Illinois Metropolitan area between Alton and Dupu allowing a transit time of between 20 to 30 minutes to downtown St. Louis. A total of 1500 acres are required to build such a facility and are available without major items of improvement such as levee protection, relocation of approach hazard and other considerations adding materially to the cost of the land. These units of land can be assembled into the required site at an economical figure.

"Any proposed airport could expect to receive federal aid up to 50% of the cost of any component of the port that is considered within the category of safety items such as field lighting, control towers, instrument approach systems, etc. Under the State Aeronautical Program an additional 25% could be expected. The Port District would then provide 25% of the construction cost. The cost of the other facilities or installations would be borne 100% by the Port District. It has been the experience of the FAA that the most they have ever contributed

to the overall cost of any major airport is in the order of 15%.

Cost of Major Airport

"Reliable estimates reflecting the overall cost of providing a major airport including all of its safety requirements is approximately 20 million dollars. In addition, the required storage for transient aircraft, passenger handling facilities, external lighting and parking facilities have been estimated at 10 million dollars.

"The operating revenue that can be expected for a major facility can be only derived from the overflow of Lambert at this time. At the present rate of Lambert's increase and assuming that a second air facility was able to obtain all of its overflow, it would take a period of 10 years from commencement of operations to obtain sufficient revenue to carry the port's operating expense without considering the retirement of the bonds which supported the construction.

"The Port District is not at all un mindful of the prestige to be derived by the metropolitan area from a new major airport, and the progress that could occur

to both sides of the river resulting from such an improvement.

"It is the conclusion of the Tri-City Regional Port District that the airport should be built on the east side, but at the present time, we do not feel that the Port District can alone support the tax load imposed by the project without it becoming a real burden. Further, the Port District has other projects planned that we feel will provide a more desirable benefit to the people of the entire Illinois metropolitan area without having to burden our district with more taxes. The Port District is agreeable to assisting and supporting, within the limits of its legislation, any other metropolitan municipality or group of municipalities in any effort that will provide adequate sponsorship of such a major airport project."

Legion Auxiliary Past Presidents Club Meets

Past presidents of the American Legion Auxiliary, Tri-City Post 113, met Monday evening in the Legion Home, 2401 Madison and Madison avenue, for a monthly business meeting and social time, with Mrs. Alma Klaus, president presiding.

A brief business session was held with routine affairs discussed. Members signed a "get well" card for Mrs. Vivian Harmon, who is convalescing at home, where she returned recently from hospital confinement.

The remainder of the evening was spent socially with games played under the direction of the evening's hostess, Mrs. Emma Steiner.

Awards were made to Mrs. Carmen Toth, Mrs. Eusebia Breckenridge, Mrs. Martha Montague, Mrs. Mary Breckenridge, Mrs. Lucille Cooper, Mrs. Klaus, Mrs. Edna Branscomb, Mrs. Ida Reading, Mrs. Winifred Costello, Mrs. Loretta Durbin, Mrs. Esther Harris, Mrs. Minnie Grob and Mrs. Ada Diabong.

The Past President's club will next meet on March 7 with Mrs. Branscomb as hostess.

Mrs. Vogeler Is Circle Hostess

A covered dish dinner was enjoyed Tuesday evening by members of the Naomi Circle of Niedringhaus Memorial Methodist Church given in the home of Mrs. Dolores Vogeler, 2205 Ames avenue, with nine members and three guests present.

Guests were Mrs. Emma Starr, Mrs. Minnie Frohardt and Mrs. Corrine Hinson, WSCS president.

Following dinner, a short business meeting was held with Mrs. Mabel Hulsey, leader, in charge. The lesson and devotionals at the top were given by Mrs. Beverly Barnett and the remainder of the evening was social.

The hostess used a St. Valentine's Day theme throughout the dinner table appointments.

The next meeting is scheduled for March 1, in the all purpose room of the church with Mrs. Lucy Weaver as hostess.

St. Joseph's Group Elects

Beverly Dombroski was elected president of the St. Joseph's School Youth Organization on Monday afternoon, when several girls met following school dismissal.

A similar group was formerly named the Phi Chi's.

Named to serve with Mrs. Ruby Overbeck.

Other members present were Mrs. Mary Margaret Graham, Mrs. Wilma Bono, Mrs. Thelma Gresham, Mrs. Bernice Gresham, Mrs. Agnes Hillner, Mrs. Margaret Holland, Mrs. Ann Little, Mrs. Irene Louis, Mrs. Elsie Rosell, Mrs. Melba Targoff and Mrs. Dorothy Johannsmier.

The next party will be March 2, with Mrs. Agnes Hillner and Mrs. Catherine Hillner as hostesses.

Tent 92, DUW Presidents Meet

The Past President's Club of Tent 92, Daughters of Union Veterans met, with the president, Mrs. Doris Bloomquist at her home in Collinsville on Wednesday evening for a monthly party.

Preceding games, a brief business meeting was held with Mrs. Louise Thompson elected treasurer and Mrs. Jean Barnes named as secretary and press correspondent.

Prizes for high scores at cards were awarded to Mrs. Barnes and Mrs. Opal Landmann.

The club plans to hold its next get together with Mrs. Joyce Powderly at her home on Garfield avenue.

Mrs. Sports Is Hostess For Circle

Mrs. Lilye Spotts entertained the Esther Circle of Niedringhaus Memorial Methodist church for a monthly program in her home, 2829 Grand avenue, Tuesday afternoon. Devotions were given by Mrs. Alvin Bright and the February lesson, taken from the current study book, "Way In Africa" was taught by Miss Anna Plato. A short business session was conducted by Mrs. Arvilla Frohardt, president, who also welcomed three guests, Mrs. Norma Richmond, Miss Emma Sue Rose and Miss Phyllis Redd. A dessert course was served by the hostess, who was assisted by Miss Ella Rae Smith, to 18 member present.

GOOD SALAD

Some cooks like to mix lime and lemon flavored gelatin as a base for a salad, folding in a great carrot and crushed pineapple. Serve the salad on crisp greens with mayonnaise.

Alumnae Chapter Holds Annual Valentine Party

The Alumnae Chapter of the Phi Tau Omega Sorority held its monthly party Wednesday evening at the Rose Bowl restaurant with Mrs. June Drew and Mrs. Betty Harris serving as hostesses.

A St. Valentine's Day theme prevailed in the refreshment table appointments, favors and table linens. Two large silver hearts centered the table which held silver trays of tiny red heart cakes at either end. Appropriate gifts were presented to the two guests present, Mrs. Maureen Bank and Mrs. Clara Lauterbach.

The evening was spent at canasta and bridge with the guests going to Mrs. Harriet Mercer, Mrs. Helen Hoelscher, Mrs. Catherine Hillner, Mrs. Margaret Lexow, Mrs. Verna Meyer, Mrs. LaVerne LaFosse, Mrs. Mildred Jungels and Mrs. Ruby Overbeck.

Other members present were Mrs. Mary Margaret Graham, Mrs. Wilma Bono, Mrs. Thelma Gresham, Mrs. Bernice Gresham, Mrs. Agnes Hillner, Mrs. Margaret Holland, Mrs. Ann Little, Mrs. Irene Louis, Mrs. Elsie Rosell, Mrs. Melba Targoff and Mrs. Dorothy Johannsmier.

The next party will be March 2, with Mrs. Agnes Hillner and Mrs. Catherine Hillner as hostesses.

WMS Of Calvary Baptist Reviews Mission Books

The Women's Missionary Society of Calvary Baptist Church, presided by the home of Mrs. Beatrice Henry, 1728 Spring avenue, Wednesday evening for a mission round table, preceded with an early luncheon served by the hostess.

The meeting opened with prayer offered by Mrs. Mabel Turnbull and during Mrs. Henry was elected secretary-treasurer.

The program was a review of eight mission books read and past month by the discussion group. February books were ordered and plans were made for a similar reviewing program March 15, in the home of Mrs. Viola Jones, 4805 Warnock avenue. The luncheon table was attractively appointed in a valentine theme and the hostess was assisted by Mrs. Esther Owen in serving. Other members participating were Mrs. Bernice Snider, Mrs. Jones, Mrs. Della Eller, Mrs. Thelma Jones, Mrs. Rosalie Jones, Mrs. Louella Probes, and Mrs. Belle Kinder and two guests, Mrs. Janet Jones and Mrs. Denny Randle. The dismissal prayer was given by Mrs. Jones.

Party Honors Miss Novacich

Out-of-town guests were Miss Margaret Honchak, Glen Carbone, Miss Diana Huskamp, Alton; Miss Jean Rosecrans, East Alton; Mrs. Mildred Rideout, St. Louis county, and Mrs. Ann Mitchell, St. Louis.

Attending from Granite City were Mrs. Mary McLean, Mrs. Vada Colten and daughter, Mrs. Margaret Eck and Miss Marcella Fabisher. A dessert luncheon was served. Miss Novacich formerly resided on East 24th street.

Get-Together Club Meets

The Get-Together Club met at the club room on Wednesday afternoon for a luncheon followed with an afternoon of cards.

The birthdays of Mrs. Walter Dohr, Mrs. Henry Halbe, Mrs. Sam Kelley and Mrs. Clifford Halbert were observed with the presentation of gifts by the remaining club members who served as co-hostesses.

They were Mrs. Harry Jackson, Mrs. Herb Buente, Mrs. Harold Klenke and Mrs. Charles Waehtel. The ladies were invited to hold their next party with Mrs. Jackson, 2524 Benton street, on March 2.

State Capital NEWS

New reduced automobile insurance rates filed in the Illinois Department of Insurance were announced Tuesday.

Director Joseph Gerber. The rates filed with the Department of Insurance affect insurance companies that are represented by the Illinois Bureau of Casualty Insurers, the second group to announce reductions within a month.

The new rates which became effective January 25 represent an additional saving in dollar insurance cost of more than \$2,300,000 for Illinois motorists.

Gerber said, Illinois insurance premiums written by the insurance companies represented in this filing amount to more than \$175,000,000. The rates announced affect only companies associated with the Illinois Bureau of Casualty Insurers.

The filed rates show a state-wide average decrease of 5.4 per cent in physical damage insurance rates and a state-wide average decrease of 6.5 per cent in automobile liability and property damage insurance rates.

The automobile insurance rate reduction is attributed in a large part to Governor William G. Stratton's traffic safety program, which brought the death toll for 1959 to a provisional 1765, a reduction of six per cent over the 1958 toll.

Records for a five-year period show a consistent decline annually in deaths. In 1955 deaths numbered 2195; in 1956-2135, a three per cent decline; in 1957-2096, two per cent less than the previous year; 1958-1989, ten per cent less than in 1957.

Appreciable gains were made against some communicable diseases in Illinois in 1959, according to a report released by the State Department of Public Health.

It was noted that 1959 was the 12th successive year without a case of smallpox having occurred in the state, which testified to the efficiency of the vaccination program.

General diseases were by far the most prevalent of reportable diseases. Case reports of gonorrhea have exceeded those for any other disease by a wide margin. This provides some insight into the venereal disease problem that still remains in Illinois despite intensive control efforts and improved methods of treatment.

The Illinois Department of Public Health has estimated that there were 220,000 live births in the state during 1959, an all-time record if the final count confirms the estimate. The previous all-time high was recorded in 1957 when 238,579 babies were born. There were 234,712 live births in 1958.

Investigation of 8,000-year-old remains of primitive man by Dr. Paul W. Farnham, curator of zoology at the Illinois State Museum in Springfield, indicate that the pre-historic Indians of this region hunted the prairie birds as persistently as the white man in later centuries. But the pheasant-like bird was able to maintain its numbers then because its nesting grounds were probably left undisturbed by the Indians.

Since inception of a hunter-safety program 11 months ago, Department of Conservation personnel have trained more than 300 persons as hunter-safety instructors. These instructors, certified in a cooperative program of the department and the National Rifle Association, form classes in schools and civic organizations throughout Illinois and give training in hunter safety. So far, about 2200 children have received instruction. Included in the training is safe gun handling at home and in the field, the proper storage of firearms and ammunition, and state hunting regulations.

Nickel Plate Credit Union Plans Building

Plans for construction of a building at the northwest corner of Third street and McCambridge avenue, Madison, were announced Monday evening at the sixth annual meeting of the Nickel Plate Cloverleaf Federal Credit Union.

Plans are being prepared by the architectural firm of Henry Gabriel and Sylvester Dugelford, and construction is planned for this year. Use of the building will be restricted to operation of the credit union.

The 170 members present also approved a four per cent dividend on shares. The group re-elected W. E. MacKenzie as president for 1960, William McBrien as vice-president, Cleo O. Parker as treasurer and manager and H. E. Doolittle, William Eaker, Joseph Summers and Earl Benoit as board members.

The 1960 budget was approved as presented by Parker, and a talk on advantages of union services was given by Arthur Webb, a representative of the Cuna Mutual Insurance Society, chicken dinner was served.

Mitchell Kiwanis Make 'Pancake Day' Plans

A committee was named and plans made at the Mitchell Kiwanis club meeting Monday for a "Pancake and Sausage Day" to be held in late April.

President Robert Franko appointed John Sands, a new member, as chairman and named Lee Paul, Thomas Smith and Euel Buford to assist him. The "pancake day" is one of the club's major fund-raising projects this year.

The club is considering the purchase of caution signs to be placed on the highway near Mitchell churches. Also, a membership drive was discussed. Nine members attended the meeting at Smith's dining room.

Richardson Speaker

Joseph Richardson, treasurer of the Madison Rotary club, addressed the club briefly Tuesday on operations of the five Glik department stores, of which he is controller. He was introduced by Joseph Purdes, president. Plans were completed for the club's annual Valentine party, at which the wives will be guests, in Madison next Wednesday evenings.

Miss Fay In Hospital

Miss Willie Fay, society editor for the Press-Record, entered St. Elizabeth Hospital Monday afternoon for a checkup and treatment.

392 Quad-City Claims For Ill. Korean Bonuses

More than 70,000 Illinois Korean War Compensation applications, including 392 from the Quad-Cities, have been received since the forms became available in November, it was learned today from Joseph D. Wetton, Illinois Veterans' Commission service officer at the city hall in Granite City.

Most of the local applications have been submitted, but "a few stragglers" still are being received and forwarded to Springfield, Wetton said. His office is open Monday through Friday between 8:30 a.m. and 5 p.m.

Efforts were made to process and pay the maximum claims possible before Christmas, but staff limitations made it impossible to pay all that were received.

Two Men Hurt In Mishaps Yesterday

Two men were hurt in mishaps yesterday at St. Elizabeth Hospital.

John Stahor, 47, of 2322 State street, struck his left hand with a screwdriver and sutures were applied to a deep laceration.

Robert Crawford, 46, of 1821 Maple street, was burned on the face by steam from the radiator in his car. The burns were dressed.

Youth And Government Luncheon Held At YMCA

John R. Fisher, YMCA Association Secretary from Chicago, was the principal speaker at a "Youth and Government" luncheon held yesterday at the local YMCA.

Fisher told his audience, which included Granite City and Edwardsville youths who will assume the roles of senators and representatives in Springfield on April 23 and 24, that the purpose of the youth and government program is to explain the workings of local and state governments and to instill the principles of good government in youth.

Granite City PRESS-RECORD Page 16 Thurs. Feb. 4, 1960

Venice Park District Has \$2726 Balance

A balance of \$2726 on Feb. 1 was reported at the Venice park board meeting last night after December and January expenditures were subtracted from the balance of \$5532 reported on Dec. 1.

Due to a normal winter slack period for the board, no formal business was discussed and the meeting was adjourned shortly after the financial statement was reported.

Expenses for the two months included: administration, \$163; salaries, \$155; labor, \$438; utilities, \$75; equipment repair, \$280; and miscellaneous, \$53.

Three Turkish Officers Accompanied By An Escort Interpreter Visited The Granite City Engineer Depot This Week Enroute From Fort Leonard Wood, Mo., To New York

Front row, left to right: Brig. Gen. Kemal Dincel, Depot Commander; Col. Jack C. Jeffrey, Brig. Gen. Osman Kosebay, and Col. Feridun Barsami, Second row—Major Robert F. Zeldner, escort officer; Major Michael A. Shaugnessy, local escort officer; and Col. Robert L. McKinnon, deputy commander.

The Turkish officers first visited the Engineer Supply Control office in St. Louis before arriving at the depot here where they were given a perimeter tour.

Plans Made For Appreciation Banquet

Twenty-seven Chokola Mound Boy Scout Council commissioners met here last night to make plans for the annual appreciation dinner March 12 at the Lutheran school in Edwardsville.

District Executive Donald Dickerson, 1960 camp director, showed Camp Sunnen slides and Commissioner Rollin Heon said 43 of the 55 spaces for 1960 jamboree attendees are filled. Dickerson reported plans for the council's jubilee camporee at Sunnen. Clayton Brehan reported on the April 8-9 scout fair in Venice and Dan Brown discussed the June 8-10 "show-down."

WAMPUM

Indians attached significance to the color of wampum beads, believing that white stood for health, peace and riches, while purple and black meant sorrow or sympathy with another's sorrow. Dark beads often were more valuable than the white.

COL. JACK C. JEFFREY Commanding Officer of the Granite City Engineer Depot is shown giving the welcoming address at a property disposal conference held recently at the depot.

MORE ABOUT Nonn To Stay

(Continued from Page 1)

petitions were being circulated by the Civic League in an effort to halt his \$60,000 Cayuga street resurfacing and widening project. "I can get thousands of signatures for it on the West Side."

Alderman Samuel Whitmer said he agreed with the mayor, and commented that Nonn could never change his vote. "I don't see where people think one person can sway this council," he added.

Vesce's Stand

Alderman Frank Vesce, chairman of the special committee, said he had also received the same letter from Worthen. "The first thing I noted," he remarked, "was only one signature. I can't ask the man to get off the committee. If Nonn had said vote only for Harner and Shifrin, I might have asked him to resign, but he said he didn't approve the citizen committee's recommendation for employment of Sheppard, Morgan & Schwaab as the engineer firm, but said he would go along with another."

When Mrs. Bettine commented he would go out for defeat of a master drainage plan, Nonn answered that she was giving him too much credit. "You people will see that Walter Nonn never runs from a fight. I've taken a lot of abuse over Cayuga street. It's not the street, it's Walter Nonn they're after, but if you want to see how I stand, come over to the Fifth Ward, the people there will tell you."

Mrs. Bettine said, "I'm biased toward the levee district. I'm saying let the people of East St.

The conference was held to work out the problem of utilization and disposal of government-owned surplus personal property, and is conducted annually by the Headquarters Fifth U. S. Army in cooperation with the Department of the Army, Representing the Commanding General of the Fifth Army was Lt. Col. D. L. David.

Safety Competition Among Dow Divisions

Establishment of a company-wide safety award competition between Dow Chemical Co. plants and divisions has been announced by Dr. Leland I. Doan, president. Winning divisions, plants, or companies will receive the "President's Award," a permanent, engraved plaque.

Dr. Doan said the company's overall injury rate has climbed steadily in the past four years. It was 1.37 in 1956, 1.74 in 1957, 2.00 in 1958 and 2.41 for the first 11 months in 1959.

McBride Heads Paddlers Club

Francis McBride was elected president of the Paddlers Club as a board member at last night, succeeding Dr. Wal Coniff. He is a former advisory board member and was financial vice-president for two years.

Others elected were Mrs. Donna Hogan, vice-president, membership; Homer Johnson, vice-president, finance; Paul Morris, vice-president, operations; Richard Pettinger, assistant vice-president, operations; Mrs. Irene Love, secretary; and William M. Russell, nominating chairman. Victor Shanta also is a newly-elected board member, and McBride was appointed to fill a board vacancy.

Holdover board members are Ralph D. Schmid, executive vice-president; Lewis E. Sablin, treasurer; Mrs. Jewell Baehr, nominating committee member; and Charles E. Yumovic. Mrs. Eunice Hagler, John H. Bondegaard and Werner E. Born.

During the meeting, held at the Hagler home, 1628 Clark avenue, the board discussed plans made by the membership for a 1960 opening day ceremony dedicating the pool to Mrs. Vera McBride, its late founder. A bronze plaque is to be prepared.

It was announced that nine of the 400 family memberships are open. Plans were made for the executive committee to meet Feb. 22 at the Schmid home, 3021 Wayne avenue, and for the board to meet Feb. 29 at the Hagler residence.

Granite City PRESS-RECORD
Page 22 Thurs., Feb. 4, 1960

**Joseph Toth, 80, Dies
Of Heart Condition**

Joseph Toth, 80, of 1922 Russell street, died in an Alton Hospital shortly before midnight Tuesday. He had been suffering from a heart condition for two months.

One of the older residents of the area, Mr. Toth came to Granite City in 1902 from Barab, Meigs, Hungary, where he was born. Before retiring he was employed at Granite City Steel Co. and Bailey Tar and Chemical Corp.

He is survived by a brother, Frank M. Toth of Granite, and a sister, Mrs. Helen Yuhasz of Hungary.

Funeral arrangements are given in today's obituary column.

**Linda Swiecicki Has
Encounter With Bandit**

Miss Linda Swiecicki, 19, of 2845 Iowa street, was one of the employees of a GFC Loan Co. office in East St. Louis that was robbed by a lone gunman Monday afternoon.

After entering the building, the holdup man, described by the store manager as a Negro, pulled out a pistol and ordered six employees and two customers to turn toward a wall.

He then ordered Miss Swiecicki to hand over \$87 from a cash drawer and to open a safe. The robber made off with the money and a cloth sack containing an unknown amount of currency.

As the gunman left he threatened to shoot anyone who moved.

**IRS Advises Reporting
Dividends, Interest**

Advice to persons preparing 1959 income tax returns was given today by Jay C. Philpott, district director of the U. S. Internal Revenue Service at Springfield.

"Take a second look at that return and make certain all dividends received last year are declared, and don't overlook any interest payments you received."

"It is important," Philpott said, that you report these amounts. The law requires you to report all dividends received and all interest received or credited to your account last year."

He cautioned that his office will make a closer check this year of dividend and interest items as part of the nationwide IRS program to close the \$5 billion gap in unreported dividends and interest.

The local office of the Internal Revenue Service, 1925 Edison avenue, has agents available on Fridays to assist Quad-City area taxpayers with their tax returns.

**Man In Custody Turned
Over To Perry Sheriff**

Arrested at Sixth street and Madison avenue, Madison, at 2:30 a.m. Tuesday, Wallace Reid Lockhart, 28, St. Louis, was charged with having an open bottle of beer in his car, passing a stop sign, having no driver's license and resisting arrest. However, the charges were dropped due to a more serious charge, neglect to support destitute children, which the police learned was filed in Pinckneyville, Ill.

An ex-convict, Lockhart was released to the Perry county sheriff.

**Miss Wood Selected
For 'College Board'**

Barry Jo Wood, 2406 Edison avenue, a Southern Illinois University home economics student, has been appointed to the "college board" of a St. Louis department store for next summer. Dr. Adeline M. Hoffman, chairman of the SIU clothing and textiles department, has announced.

Barry Jo, the daughter of Mrs. Mary F. Wood of Granite City, is a sophomore and is majoring in clothing and textiles. Her vocational goal is to become a buyer for a department store.

Barry Jo was elected "Miss Southern" in 1958-59, served as attendant in the court of the 1959 Homecoming queen, was a finalist in the "Miss Southern Acres" contest, is a member of "Angel Flight," girls' auxiliary to the chorus of the AFROTC unit, and is rush captain of her sorority.

She is active in radio work, appearing on the Saluki Hour radio show nightly, and belongs to the honorary radio and TV fraternity.

The A&P Coffee Bean

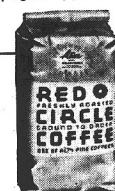

(Why it's never ground until you buy it)

Nothing protects like nature. Cut an apple and it starts to wither. Grind coffee beans and flavor starts to fade. That's why A&P Coffee is kept in the nature-sealed bean until you buy it — it's never pre-ground. You choose from three blends — mild, medium, strong. You see it custom-ground to one of seven sizes precisely right for your coffemaker. Important!

Because if coffee is too coarse, you get weak flavor — if it's too fine, you get a bitter brew. A&P has special coffee mills manned by trained coffee personnel — experts at grinding your coffee correctly. Unless you grind every careful just before brewing, you can't possibly have fresher, finer flavor. Enjoy custom-ground A&P Coffee — and the lower price.

Lohman Here, Opposes Labor Bill, Tax Status

Carrying his campaign for the Democratic governor nomination into the Quad-Cities last night, State Treas. Joseph D. Lohman said he opposes the Landrum-Griffin labor bill and pledged to work for a "fair and adequate tax system for Illinois which will require corporations to pay a fair share."

Speaking at the Labor Temple to the Tri-City Trades and Labor Council, AFL-CIO, Lohman said Illinois corporations now pay \$550,000 in taxes and said he believes this is 10 to

20 times less than paid by corporations in some other states. He also appeared at a rabbit fry given by Granite City Assessor Von Dee Cruse and Street Supt. William Warfield. Others attending included State Representatives Paul Simon and Lloyd Harris, State's Attorney Dick H. Mudge, County Recorder James Chapman, County Auditor John Kraynak, Venice Mayor John E. Lee and Madison Mayor Stephen Maestas.

Firemen Called To Two Houses In Venice

Venice firemen answered two calls this week, going to an empty house in the 500 block of Slough road, Keer Island, at 6:40 p.m. Monday and to an occupied home at 1227 Calhoun street at 5:20 a.m. Wednesday. The vacant four-room building was destroyed and the Engineer Depot sent a water truck and other equipment to aid the Venice department in saving several homes across the road after they began smoking from the intense heat.

The fire on Calhoun centered about a flue and a section of roof near the flue. Wooden shingles smoldering beneath the roof material caused the blaze to break out again at 6:02 a.m. yesterday, and firemen returned to the scene. No damage estimates were announced.

St. Peter Guilds Hold
Joint Meeting, 100 Attend

Approximately 100 members and guests attended a combined meeting of the Afternoon and Evening Guilds of St. Peter Evangelical and Reformed Church, Monday evening, in the Fellowship Hall. "Our Thinking About the People" was the topic of a devotional service given by Mrs. Joyce Matson and Mrs. Ruth Huxel, with special music provided by the Chorales, under the direction of Mrs. Carol Merz.

Mr. and Mrs. William Huxel showed colored slides of their recent Caribbean holiday and narrated various anecdotes of the trip. Guild members separated for individual business sessions, with Miss Clara Hoelcher president in charge of the Evening Guild meeting, welcoming Mrs. Carol Venne, as a new member.

Mrs. Shirley Glenn reported that a gift box is being prepared for children at the Holytown Welfare Home, Holytown, Ill., and suggested that additional items be contributed. Miss Hoelcher appointed several ladies to complete arrangements for the annual Fellowship Dinner, scheduled for March 20, at 6 p.m., in the church hall. Members were also reminded of a "Sausage Supper," Feb. 17, to be sponsored by the Brotherhood.

The Afternoon Guild members made plans to serve at several functions scheduled at the church in the near future. Mrs. Elsie Branding and Mrs. Estelle Monken were appointed as kitchen and dining room chairman, for the church council dinner, Feb. 10, when retiring council members will be honored.

Plans for an Optimist dinner party, Feb. 23, in the church dining room were discussed with Mrs. Lillian Baumeyer and Mrs. Monken to serve as co-chairmen of the kitchen facilities and Mrs. Edna Winters, dining room chairman.

Mrs. Eudora Barks reported on the completion of "Operation Blanket," a state-wide project, recently held in most Quad-City churches. The local drive netted 238 blankets, which will be sent with other donations to refugees in India, China, Japan and the

COURT OF HONOR FOR
BOY SCOUT TROOP 15

A "court of honor" was conducted Monday evening for Boy Scout Troop 15, sponsored by Fraternal Order of Eagles Aerie 1126, being viewed by more than 50 parents and guests at the Eagles Home. Scoutmaster Adolph Flach welcomed the guests and introduced Senior Patrol Leader Terry Flach, who conducted the opening ceremony, assisted by Patrol Leaders John Jones, Tommy Thompson and Bill Thomas.

A candlelight investiture ceremony was held for a group of new scouts who received their scout badges from Flach, Charles Rodell, assistant scoutmaster, and Thompson and Jones. Those invested were Scott Kossler, Robert Edwards, Mike Wallace, Neal Bailey, Steven Pasick, Alan Nichols, Harold Hughes, Dennis Henson, Ricky Meyers and Harold Dickerman.

James Shaw, executive committee chairman, presented merit awards to Bill Thomas, Jimmy Smith, Alan Nisoli, Terry Flach, Tom Thompson, Terry Flach, John Jones, John Sarich and Jim Lengel.

The group was entertained with a demonstration of personal training equipment by Thomas and troop camping by Thompson. Plans were outlined for a paper drive later this spring and Flach announced that overnight camp-outs will begin in March.

A program of slides showing activities at Camp Sunnen was enjoyed by Flach explaining the annual camping program to the parents. Troop 15 is scheduled to attend Camp Sunnen July 17-24. Scouts were asked to meet at Eagles Home promptly at 8:30 a.m. Saturday for a troop hike to Mont's Mound. A social hour was enjoyed following the program, and refreshments were served by several mothers.

Opti-Mrs. Club Plans Party

The Twilight Opti-Mrs. met at Deville's restaurant, Tuesday evening with Mrs. Thelma Markgraf, president in charge of a monthly business meeting. Plans were made for a Valentine's Day party, March 14, when members will entertain their husbands at the Rose Bowl restaurant. Mrs. Mary McCullough and Mrs. Dorothy Pearson were appointed as co-chairmen of the arrangement committee.

Following routine business, the remainder of the time was spent socially with games played for entertainment. Awards went to Mrs. Juanita Rosenberg and Mrs. Ruby Overbeck. A dessert course was enjoyed by 17 members, with Mrs. Marie Durbin, Mrs. Lucille England and Mrs. Judy Bumpers serving as the February hostesses.

The next meeting will be March 1.

Eastern Star Meeting Friday

New Hope Chapter 432, Order of Eastern Star, will honor Granite City Chapter 631 on Friday, 7:30 p.m., at the Masonic Temple, 20th and Cleveland blvd.

Worthy Matron Mary Ellen Lewis and Clarence Hoffman, worthy patron from Chapter 631 will preside in the East, with their officers holding their respective stations.

Mrs. Lou Anderson, worthy matron and Charles Byrnes, worthy patron will honor the guests. A St. Valentine's Day party is planned following the ceremonies.

UGES ILLINOISANS TO JOIN SICL
To the Editor,

G.C. Press-Record

On 19 November there appeared on the front page of one of the large St. Louis newspapers an article regarding Missouri's plan to crack down on Illinois residents who had not paid state income taxes on money earned in Missouri.

This article was headlined "ILLINOIS TAX CHISLERS WILL GET SUED HERE." Then on 12 January 1960 Missouri started a wave of arrests of Illinois residents. In so doing, Missouri changed the action in the headline which now reads "ILLINOIS TAX CHISLERS GETTING SUED HERE."

Unfortunately, we can do nothing about the "Tax Chisler" tag, unless perhaps we come back with a tag of "Freedom-fighters" for the Missouri side. But name calling is childish and accomplishes nothing.

What can be done is to change the action in that headline so that it reads "ILLINOIS TAX CHISLERS FIGHT BACK HERE."

The victimized Illinois residents are doing by joining the SOUTHERN ILLINOIS CITIZENS' LEAGUE what we are doing by fighting violence, non-resident taxation through the courts, through legislative changes, and any other honorable means.

The SICL is now getting endorsement and active support from more and more local, state and congressional representatives.

The league is doing by joining the SOUTHERN ILLINOIS CITIZENS' LEAGUE what we are doing by fighting violence, non-resident taxation through the courts, through legislative changes, and any other honorable means.

The league's mailing address is P. O. Box 432, Granite City, Ill. SICL Member.

Dear Neighbor:
Do you listen to your radio while you are driving to and from work . . . on the highway . . . going to a meeting? There are some very interesting programs with a lot of good information.

Benah and I saw a spiritual lesson in a program which gave information over the air.

On our way home one afternoon we turned on the radio in the car and listened to the reports and news of the day. Suddenly the announcer began to tell about income tax reports and a reminder to get them in on time. Then he told about the conscience fund which the tax office receives from anonymous folks. In one year it amounts to about \$285,000,000 or an average of \$700 per day. One man sent in \$16,000 to clear his conscience, but it was returned. This was the largest amount ever received. This was interesting to listen to. It said something about the conscience.

When God created man He made man good. Sin entered into man's heart and evil then possessed him. Yet God in His love gave man a small voice. This voice is our guide. Someday it will bring many back to God. Man may do many things that the evil sin will even defeat God's image . . . yet there is still some good which will one day appear. We may act as if we were not good . . . but deep inside the good remains dormant. Then one day God's spirit works . . . our conscience is stirred and our soul longs for God. Then good begins to operate. Jesus told the story of a bad lad who was so stirred that he said: "I will return . . . and say unto Him . . . Father I have sinned against heaven and before thee. His father saw him and had compassion upon him." May God bless us.

The Citizens League of this area, both of whom are organized to fight the State of Missouri and the City of St. Louis who are free-loading at the expense of many thousands of the citizens of this area by their unjust city earnings tax and state income tax.

The city of St. Louis and the State of Missouri have no richer source of income at any of its border points than central and southern Illinois, through their downtown merchants, their breweries, their breweries and places of amusement, etc. We are subsidizing them and even their college students at lower out of state tuition fees by their own failure to enact an adequate tax program. People are bringing them on a par with the other states (Missouri ranks 44th in per capita income and 30th in income).

They are basing this taxation on a ruling by the Supreme Court in 1913 which says that we are afforded police and fire protection while we work there.

We are subsidizing them a lot of money in the St. Louis area, why should we be infringed upon by their taxes? "Tax Chislers" by one of the greater St. Louis newspapers. It is their free loaders and not us, by offering unfair competition to our merchants and people of St. Louis by their tax inequities, and they want us to pay the bill.

The only answer to this is legislation on a national basis to prevent such infringements by one state upon another, and in the meantime a "buy in home" campaign might be in order until this condition is remedied.

I would like to urge all the citizens of this area to write to their congressmen and representatives to support legislation that will wipe out this subsidizing tax grab by our free loaders in neighboring states across the river.

Venice Teachers Help Decide School Needs

Teachers in the Venice school system will meet next Wednesday at 1 p.m. at the Lincoln high school to determine the needs of the Venice school system for the 1960-61 school year.

Superintendent J. P. Pier said Monday night.

The instructors will submit recommendations to the board of education in March, previous to preparation of a tentative budget for 1960-61.

During the school board's first February meeting Monday night, \$111,111 in the building fund, \$384 in the transportation fund, \$1892 in the school lunch fund and \$12,280.

Building fund expenses included completion of a fire alarm installation by Don Electric Co. for \$551. School lunch fund expenses included \$949 at the Venice cafeteria and \$943 at the Lincoln cafeteria.

The superintendent submitted a report showing average attendance at Venice high school during January at 93.5%, at Lincoln high school 90.5%, at Venice grade school 92.5% and Lincoln grade school 89.8%.

Maryland Casualty Co. reports on recent building inspections showed conditions at Lincoln grade school satisfactory.

Venice school Librarian Mrs. Mary G. Dale was authorized to attend a library clinic in Alton on March 2.

Milton Morris, general chairman of the Chokoma Mound Boy Scout Council's "Scouting Fair" asked the board for permission to make use of school facilities on April 7, 8 and 9 for the fair.

Tentative approval was granted, with the stipulations that a school activity set for that date could be postponed and that the council obtain the proper public liability insurance.

Morris said fair planners hope to make use of the Venice-Madison American Legion building for Boy Scout displays and the Venice high school gymnasium for Cub Scout activities.

They would erect a large circus tent on the Venice high school athletic field to house Explorer exhibits.

Alderman Nann's Three Jobs Make Him A "Moonlighter" Without Peer

The term "moonlighter" is of fairly recent vintage; it applies to anyone who holds down two jobs.

Walter Nann, alderman of the Fifth Ward, is a "moonlighter" without peer. His "moonlighting" brings him not one but two extra incomes, and he has the dubious added distinction of getting both from the taxpayers. He is ambidextrous; each hand is in one public bill.

His left hand — or is it the right? — is in the till of the East Side Levee and Sanitary District taxpayers. While regularly employed at a nearby refinery, Alderman Nann has been collecting \$200 a month as a sometimes inspector, watchman or redman for the Levee District. The exact nature of his work and the hours he performs it seem to be something of a mystery; both the Levee District office and the supervisor in Madison County decline specific knowledge.

Nann's other hand, whichever it is, collects \$75 for three city council meetings a month as Fifth Ward alderman, plus a \$30 monthly expense allowance that does not seem to be based on any real expenses to Granite City taxpayers or to his Fifth Ward constituents. He takes the aldermanic salary whether he attends council meetings or not and there are quite a few times when his "other business" prevents him from being present.

In addition to the three jobs he holds, his wife reminds the Press-Record of a bailliff in the City Court of Granite City. Her salary for the part-time job is \$75 a month.

Surely there must be some deserving taxpayer in Granite City — or in the Fifth Ward — whose family could make good use of a \$200-per-month part-time job, assuming the work is essential to the taxpayer. We don't think Alderman Nann's comment that "it's nobody's business" is sufficient explanation from a public official for "moonlighting" at public expense.

New Selections Have Created An "All-America" Illinois Metropolitan Area

Official announcement that Alton and East St. Louis have been chosen as "All-America" cities follows Granite City's selection for the honor by one of the nation's leading magazines, "All-America" cities.

Granite City's reign, but will not change its permanently-acquired All-America title nor its need for continued devotion to the ideal that won the honor. Citizens action in the past for needed civic improvements and backing major community programs.

Just as no one single event was cited in the selection of Granite City, diverse factors resulted in the neighboring cities' victory in the Intense All-America City Competition. Roused by a sewage crisis in 1956, Alton citizens overcame civic lethargy to plunge into a long list of modernizations, including city government, new street lighting, sewer repairs, plants for a new drainage system and annexation of nearby industries and residential areas. East St. Louis citizens fought organized gambling and vice, supported an urban renewal program, completed new schools and parks, doubled new construction and helped establish the new labor-management code of ethics also in effect here.

Again this year the list of winning cities and their accomplishments points the way for other communities, and for new achievements by previous winners. Running frequently through the awards list are changes in municipal government structure, master drainage

program, pollution abatement, industrial expansion, slum abatement, recreational developments, firmness against corruptive influences, programs to improve health and continuous metropolitan planning to assure future improvements, as well as adequate schools, hospitals, parks and services for the burgeoning population.

Local residents can sincerely welcome Alton and East St. Louis to the All-America City ranks. The selections, together with other developments and increasing emphasis on area-wide cooperation, have created an All-America Illinois Metropolitan Area — ready to meet the potentially bright future with a positive approach.

No business ever became great without a program of progressive expansion.

Skilled Labor Here Could Prove Invaluable In Event Of Disaster

The area civil defense conference held here this week called attention to an advantage this community would have in the event of a natural or wartime disaster — a large supply of skilled labor ready to perform emergency work.

The importance of the importance of maintaining basic supply and communication circuits was stressed, and this would receive immediate attention along with medical care and housing.

Just as in past instances of flood, fire and storm, the Quad-Cities' traditional cooperation between government, labor and industry would do much to speed the restoration of normal life and the performance of needed emergency measures.

The conference also noted rapid strides in the Soviet defense system, lending more importance to acceleration of CD efforts in this country and to the development of plans of action in advance of a disaster.

Scouting Has Helped Mold Character Of Boys In Quad-Cities For 40 Years

Boy Scout Week Feb. 7-13 will mark not only the fiftieth anniversary of the scouting movement but also the fortieth year since its founding in the Quad-Cities. Two of the original members of the Council, the Council board, Louis Benger and Carl Graham, are still serving the council.

Since 1920, scouting has brought to 20,000 members of the local council and 35,000 other boys the great adventure of the out-of-doors and the lure of the unexplored trail. At the same time, it has brought the adventure of citizenship, the motive to serve other people, the daily "good turn" and helpfulness to the nation in times of war and peace.

To help each generation of boys grow into healthy manhood, the Boy Scouts of America has developed a training program designed to strengthen bodies, minds and character. Partly because of scouting, there is widespread respect for law and order, a spirit of unselfish service to others, a basic concept of self-reliance and resourcefulness, appreciation of the American heritage and a willingness to put democracy into practice in each community.

The training afforded locally and nationally by a small professional staff and a large volunteer staff, including den mothers, scoutmasters and explorer advisers has proved to be one of the finest ways to help perpetuate citizenship and traditional American ideals.

Rev. Norma Brown To Speak Here Sunday

Rev. Norma C. Brown of Eureka College in Eureka, Ill., will speak at Central Christian Church at 10:40 a.m. Sunday.

Rev. James H. Craddock, pastor, said today.

Rev. Brown will speak as part of "Eureka College Emphasis Sunday" at the church. A reception for her Saturday night is planned at the home of Mrs. Nancy Meadows of 2218 Illinois avenue.

Rev. Brown is the daughter of Rev. R. D. Brown, pastor of Central Christian Church from 1927 to 1937. She was graduated from Eureka College and has been on the administrative staff of the institution five years.

Auto Skids On Ice— Hits Parked Car

An icy pavement in the 1800 and 1900 blocks of Madison avenue was blamed for an accident about 7 a.m. Wednesday in which a motorist lost control of his auto and skidded into a parked car. No injuries were listed.

Police said the thin sheet of ice was caused from frost on the pavement and a cooling system. The firm was advised of the condition and chains were spread on the pavement.

In the accident, Manuel Jett, 56, of Cassville was driving north when his auto skidded out of control into a parked car. The name of the owner of the parked auto, which bore 1960 Illinois license plates, was not immediately listed.

Wm. Cauble Chairman Of Heart Fund Drive Here

William O. Cauble, 2830 East 24th street, has been named Tri-City Heart Fund drive chairman for February, Herman Wilken, chairman of the Madison county campaign, said today.

An active worker in the Heart Fund drive for the past four years, Cauble is a member of American Legion Post 115, vice president of the Granite City area PTA council and is active in scouting work.

The Tri-City group, part of Region 11, Illinois Heart Association, will conduct a fund drive here during the entire month.

Others named to Heart Fund posts here include Alex Duceini, Heart Sunday chairman and special events; Betty Williams, coin collectors; William Nierst, Pat Skinner, publicity; Bill Skinner, business and industry; John Lerch, treasurer; Al Juedeman, school; Bobby Orasco and Benjamin F. Honorable, Heart Sunday representatives for Madison; and Venice; Hilda Graville, special gifts; Alice Holabauer, Janice Biello, Jackie Logan and Walter Gehling, area chairmen.

Members of the Heart Fund committee include Betty Ebling, Doris Edwards, Ella McKittick, Joyce Willmore, Fred Cain and John Lee.

Cauble said organizations which have indicated support of the campaign and have agreed to supply workers are the American Legion and American Legion Auxiliary of Post 115, Theta Iota chapter of Beta Sigma Phi sorority, Epsilon Eta chapter of

School Credit Union Elects Officers

New officers were elected during the recent second annual meeting of the Granite City School District 9 Credit Union at which a 3% dividend was declared. The credit union has a membership of 199 employees of the district.

The officers are Mrs. Estella McBrien, president; Miss Rose-ella Kinney, vice-president; Robert A. Zaleski, secretary, and Hans A. Jensen, treasurer.

They also were elected to the board of directors along with George W. Bass, Milton D. Cox, Miss Myrtle Draper, Earl Lee, Miss Ella Ray Smith and Miss Geneva Wallis.

Two Crashes Tuesday On Edwardsville Road

Two accidents on Edwardsville road were reported to Granite City police on Tuesday. Four vehicles, including a truck, were involved in the two crashes. No injuries were listed.

A truck owned by Biebel Bros. Roofing Co., St. Louis, operated by Bobby Rogers, 23, of Creve Coeur, Mo., was stopped on Edwardsville road to make a left turn into the Reddy Tar & Chemical Corp. plant and was struck by a convertible coupe driven by Andrew M. Edmonds, 37, of St. Louis.

Edmonds said he was the second car behind the truck, and that when the first auto swerved to the right around the truck, he had the choice of either a head-on collision with an oncoming vehicle or hitting the rear of the truck. His auto was towed away.

The other mishap occurred at the 21st street intersection and involved auto driven by Satalick Bogosian, 37, of 2415 Delmar avenue who was traveling north and making a left turn. Her auto was struck on the left side by the northbound auto of H. W. Malone, 43, of South Kansas, police said.

GC Cagers To Meet 2 League Foes On Weekend

A dual between Rich Williams of Granite City and Don Brooks of East St. Louis will highlight this weekend's action for the Warriors. Coach Andy Sullivan's team will travel to East St. Louis Friday and will host Edwardsville Saturday. Granite City, 6-2 in Southwestern Conference action, must win both games to maintain a slim hope for the league championship. Front runner, Collinsville, 8-0, must lose three of its remaining four games before the Warriors could be undisciplined first-place honors.

East St. Louis has a 2-6 conference record and lost to Granite City by six points in an earlier meeting. Edwardsville sports a 2-4 league mark, losing to the Warriors, 72-53.

Granite City has a good chance to reach 20 victories this year, a mark of prestige among basketball teams. With six regular season games and at least one tournament contest remaining, the Warriors need only four victories to reach the goal. Their record now is 16-4.

Madison Rips Granite City Sophs, 68-20

Madison high school's sophomore basketball squad turned a tight zone defense into rebounding, frequent ball stealing and a fast-breaking offense into a lopsided 68-20 win over Granite City's soph squad Monday night in Madison.

It was the second defeat of the season for Dick Harmon's second-year team, which has dropped all nine of its games. Madison's sophomores are 2-0.

Coach Lee Ashby used a box-four sinking zone against Granite City, using the high man against the visitors' David Sparks, leading scorer on the team. Sparks was held without a basket against the sophomores, got two against freshman reserves and finished with nine, high for the losers.

Madison's freshmen played the entire third quarter and 45 minutes of the final period and Ashby used two first-year boys throughout the second half.

The Trojans put the game completely out of reach by out-scoring Granite City 20-4 in the final eight minutes. Frequent bad passes gave Madison ample opportunity to run on the fast break, but the leading scorer, Clarence Woolfolk, got most of his 22 points on rebound shots. Harmon used both a cone and a full-court, man-for-man press in an effort to stop Madison, which led 18-8, 39-11 and 48-19 at the quarter marks.

The scoring: Madison—Clarence Woolfolk 22, Mick Gravelle 12, Don Freeman 9, Charles Vercosky 8, Bob Haynes 4, Tim Cotton 4, Terry Anderson 3, Don Trotter 2, Dick Kerner 2, Bill Riddle 2. Granite City—David Sparks 8, Bill Keren 4, Larry Corey 3, Vic Bushler 2, Bret Bjorkman 2.

Frequent bad passes gave Madison ample opportunity to run on the fast break, but the leading scorer, Clarence Woolfolk, got most of his 22 points on rebound shots. Harmon used both a cone and a full-court, man-for-man press in an effort to stop Madison, which led 18-8, 39-11 and 48-19 at the quarter marks.

The scoring: Madison—Clarence Woolfolk 22, Mick Gravelle 12, Don Freeman 9, Charles Vercosky 8, Bob Haynes 4, Tim Cotton 4, Terry Anderson 3, Don Trotter 2, Dick Kerner 2, Bill Riddle 2. Granite City—David Sparks 8, Bill Keren 4, Larry Corey 3, Vic Bushler 2, Bret Bjorkman 2.

Williams Drops To Fourth Spot Scoring Despite Raising Average

Although he heisted the current leader in a Friday duel, Warrior Rich Williams fell to fourth place among Southwestern Conference scoring leaders. The battle for individual honors in the league this year is proving more exciting than the team romp being made by Collinsville.

Williams, with 25 points against Bellevue, raised his average from 14.5 to 15.5, but fell to fourth place in the standings as Don Brooks, 31, East St. Louis center, came through with a 32-point performance against Collinsville, raising his average 1.6 points to 20.6 and his standing from second to fourth.

Max Patton of Bellevue, although dropping eight-tenths of a point after scoring 42 points in two weekend encounters, is still leading the pack with a 23.5 average.

Since it took a 55-point scoring production by Brooks to raise his average only 1.6 points, the third-place player, Max Patton of Bellevue, still should have several sub-par games in his remaining encounters.

The other player with an average 23 points a game is his last four games to match his last year's winning percentage of 20.6. On the other hand, should Patton average his 23-point average, the Granite City guard would have to score 28.5 points a game to match him.

The four opponents remaining on Granite City's schedule are East St. Louis, Edwardsville, Alton and Wood River.

In a composite average against teams in the first meetings this year, Williams averaged 24.7 a game. He scored 38 points in the last two games, 29 at Edwardsville and 16 apiece against East St. Louis and Wood River.

Kahoks Call On Madison Saturday

Collinsville opponents from down state have tried all season to "bottle up" Bogie and "solve the Riddle," but so far only the Kahoks of the Panthers have had any success at it.

The Kahoks, who look like the seven other teams in the loop, are the only ones who have refused to drop back despite the worded pact set in the last two weeks by the local team.

The Old Milwaukee-Falstaff meeting should be the highlight of an evening which matches the Bellevue Carling Stags with Busch Bavarians, Eastern Bowl team with Lewis and Clark Motor Lodge and East St. Louis Bowl-A-Way Lane Brunswick Pro Shop with O'Fallon Sports Bowl.

Old Milwaukee's entire lineup last week, Max Legate leading the way with 658. Jim Vrenick upped his league-leading average to 202 plus with 653. Nick Lombard rolled 647, George Wolfe 638 and Jim Berry 614. Brunswick representatives now have a 972-point average, tops in the loop.

The Trojans also lack real depth. Especially since the loss of Young, they have not had good scoring balance. As might be expected, Madison is loaded with juniors, several of whom undoubtedly will get their fill of basketball before the season is complete.

The Trojans' scoring hopes lie with Ed Walker, whose 21-point average tops the team. With Walker, the starting line-up will try to stop Collinsville Saturday appear to be Guards Ken Griggs and Dan Hrynski and Forwards Otis Wright and Frank Smith. Another junior, Lemon Motuskie, could fill one of the down-under positions.

Madison will complete possibly the toughest portion of its season's schedule next Tuesday night by playing host to improved East St. Louis in the fourth consecutive non-conference affair for the Trojans.

Old Milwaukee Duels 2nd-Place Falstaffs Here Saturday Night

Granite City's Old Milwaukee squad, steadily maintaining a four-game lead over second-place Alton Falstaffs, will come home to host Saturday night. This week's Southern Illinois Bowling Proprietors Association's "Championship" round is scheduled for the Bowland lanes, Granite City.

Old Milwaukee will host the seven other teams in the loop, and the only ones who have refused to drop back despite the worded pact set in the last two weeks by the local team.

Storm Sash For Jail To Cost City \$240

Six storm windows to be placed at the city jail windows were purchased Monday night by the Granite City Council. Only one bid was received, and the installation was approved at the cost of \$240, submitted by Tri-City Window & Door Co., 1834 State street.

The double-track storm sash was requested several weeks ago by the city hall committee after it was pointed out the jail cell blocks were drafty and prisoners were complaining of the cold.

2nd Game Of March 1 Session

Granite City and Madison Meet In 1st Round of Collinsville Regional

Granite City will meet Madison in the opening round of the Collinsville regional tournament at 9 p.m. Tuesday, March 1, the pairings from the Illinois High School Association revealed.

One of the Quad-City representatives will thus be eliminated from state tournament competition after the first night.

The Warriors are seeded third in the tournament and are in the opposite bracket of first-seeded Collinsville.

Second-seeded Alton meets Wood River in the first March 1 game at 6:30 p.m. In a new system this year, the gymnasium will be cleared after each game so that more fans can get seats in the old system, fans from four schools had to crowd inside the gym.

Parking Arrangements
"Parking facilities also will be provided," Collinsville Principal Fred Riddle said. "If the weather is good, fans at the first game can park on the new football field and others will have the baseball field."

But if the ground is soft, the Veterans of Foreign Wars parking lot, streets and the football field track will be used.

The tournament will open on Feb. 29 with Collinsville meeting Roxana at 6:30 p.m. and Edwardsville playing the Triad district winner at 9 p.m. The first night also will have a divided session.

Finals Friday Night
Semi-final and championship games will be played on a one-game-night schedule on March 2, 3 and 4. Either Madison or Granite City will meet the Alton-Wood River winner on Thursday night, March 3. The exact time has not been set by Collinsville officials, but it probably will be either at 8 or 8:30 p.m.

The Collinsville-Roxana winner meets the Edwardsville-Triad district winner March 2, and the championship game will be on Friday, March 4. Madison is defending champion of the regional, held last year at Wood River.

The Warriors' last match will be against the regional champion at East St. Louis the following week.

Wood River, Springfield Districts In GC Wrestling Sectional Meet

Ten teams in the Wood River district meet and ten in the Springfield district wrestling tournament will compete for the chance to send representatives to the Granite City sectional tournament Feb. 20.

The Wood River district, on Saturday, Feb. 13, will find Granite City, Western Military Academy of Alton, Bellevue Township, Carbonate Community, Cahokia, East St. Louis, Greenville, Roxana and the host school pairing off.

A definite starting time for the district will await final approval by all the schools. Individual pairings will be announced the day of the tournament.

GC Grapplers Can Clinch League Title Tonight

Granite City's wrestlers can clinch the Southwestern Conference championship tonight with a win over Bellevue at 8 p.m. An earlier season match between the two schools resulted in a 4-3 Granite City victory.

On Friday, the Warriors will travel to Overland, Mo. to play Ritenour, the defending Missouri state champions, at 4 p.m.

The only conference team close to Granite City is Edwardsville with a 2-1 record. The Warriors' sports won't be in jeopardy until the 2-2-1 record of Bellevue.

The match tonight will be the local grapplers' last home match of the season.

Friday's tough match will be highlighted by a bout between Dave Brewer of Granite City and Ritenour's Bill Hartell in 160-pound class. Both are undefeated this year and Brewer will be trying to avenge a 11-2 loss to Hartell last year.

"Although Brewer lost to Hartell last year, Dave is a much improved wrestler and it should be a real battle," Coach William Schmitt said.

Another highlight should be the bout between Granite City's Buddy Feichin and undefeated Ed Mueller of Ritenour in the 112-pound class.

The Warriors will finish regular season competition at Edwardsville next Tuesday. The grapplers are currently 13-1 for the season.

Surplus Scrap Sale At GCED On Feb. 25

An auction sale of scrap metals and rubber is set for 1 p.m., Feb. 25 at the Granite City Engineer Depot, according to D. E. Bright, Jr., property disposal officer at the installation. Included among the more than 108,000 pounds of scrap material are scrap aluminum, brass, copper, zinc, lead and iron, scrap automotive parts, batteries, radiators, cables, borings and turnings. Inspection of the property may be made daily between the hours of 8 a.m. and 4 p.m. Monday through Friday, until the closing date, Feb. 26.

List of 25-Year Firms Increases To 133

The list of Quad-City area firms with 25 years or more service to the community has increased to 133, according to Alvin Barnes of the Associated Retailers. Added to the list this week were Brandings service station, 26 year; Compton's restaurant, 50 years; R. Dron Electrical Co., 38 years; Schenck Paint Co., 35 years; Stoltz Lumber Co., 38 years, and Supreme Radio & Appliances, 31 years. The firms are to be honored at a banquet tentatively set for plaques.

Pfc. Bert Jones Leaves For Duty On Okinawa

Pfc. Bert Eugene Jones left San Francisco, Calif., this week for Okinawa, where he expects to be stationed for about 18 months. He enlisted in the Marine Corps last June for a four year tour of duty. Pfc. Jones attended Granite City High school.

Laclede Madison Credit Union Names Directors

Six new directors have been elected to serve on two committees within the Laclede Madison Credit Union of Madison, it was announced this week. Eugene Egan was elected chairman of the credit committee, and will serve with Henry Bilbey and Travis Rash. Charles W. Trill will head the supervisory committee, made up of himself, Leroy Vogts and James Guyer. The credit union had earlier elected Ernest Trachsel president for 1960, Eiride Hills vice-president, Edward Piese secretary and Egan treasurer.

Fines, Costs Suspended

Fines of \$5 and costs on each charge were suspended for Harry Glass, 35, of 1738 Delmar avenue, who was charged Monday by Granite City police with failing to display a city auto sticker and state license plates on his auto. Police had the car towed away from in front of his home, where it had been parked for some time. At the office of Police Magistrate Gasparovic, it was learned Glass bought a city auto sticker and agreed to keep his car in his yard. It was explained the car was not in running condition.

Autos Collide

Autos driven by James Love, 28, of 1422 Third street, Madison, and Walter Hall, 34, of 2040 Fourteenth street, were involved in a collision Tuesday afternoon at 14th street and Edwardsville road. Granite City police said Love was traveling north and making a left turn onto 14th street, while Hall was going east on 14th street.

Firm Wins Certificate

Quality TV, 2003 Johnson road, operated by Elmer "Al" Sear, has been awarded a "bonded electronic technician certificate" in a ceremony Tuesday afternoon. The certificate is backed by an insurance company bond to guarantee quality of work and to receive if the firm had to submit a price structure for parts and labor, Sear said.

Parking meter receipts during January total \$3192, the highest amount for the month in the past three years, according to a report this week by Comptroller John Doobler. The meter income, including \$2633 from the meters and \$559 in fines, averaged \$127.70 a day.

While January's total was below the \$3768 receipts for December, it was above the \$2802 in January 1959 and \$3042 in 1958. In January 1957, the meter income was \$4039, while during the peak year of 1959, the January receipts totaled \$4124.

The city is now entering its second decade of parking meter operation. In the first 10 years the total income amounted to \$442,779.

HOUSES

ONLY A FEW LEFT

Here are several reasons why the wise New Home Buyer will choose a New 3 Bedroom (brick or frame) Belmore Home now. Priced from \$14,995 to \$19,250.

1. Fewer new homes to choose from in 1960. (U. S. Report).
2. Labor, materials, land costs will be higher.
3. Tight money, fewer mortgages, higher interest, will slow new home construction.
4. High interest (7% already in some states) will increase here.
5. Belmore Homes is a beautiful established community (finest location and construction anywhere).
6. Only a few new homes left. (Never again can you buy for this price, this location and this low interest rate).
7. Trade in your old home on a new one.

Located at Myrtle and St. Clair, Behind Rose Bowl. Display homes open Sat. and Sun. 2 to 7 p.m.
